About Our Training Programs

Our Vision

To provide high-quality, practical training to professionals seeking to advance their skills and knowledge in a dynamic world.

At Akawini Consultants Limited, we empower professionals with essential skills and knowledge to thrive in today's competitive environment. Our 2026 training calendar features specialized programs in internal auditing, risk management, corporate governance, compliance, cybersecurity risk, and ESG auditing. These programs are designed to address the latest industry challenges, equipping you with the tools to stay ahead in your field.

CPE Credits: This program qualifies for the stated CPE hours. Participants should verify acceptance with their certifying body. Certificate of completion provided.

Why Choose Akawini Learning?

- Expert Instructors: Learn from industry professionals with proven expertise.
- Practical Focus: Engage with real-world case studies and interactive workshops.
- Certification & CPE Credits: Earn Continuing Professional Education (CPE) credits.
- Flexible Delivery: Courses available both in-person and as tailored in-house training.

How We Ensure Quality in Our Instructors

We carefully select experienced professionals with strong track records in their fields. Our instructors undergo rigorous evaluations, including teaching assessments and participant feedback reviews, to ensure every session meets Akawini Learning's high standards.

Value Propositions

As a training academy we prioritize on application when transferring skills as the key focal point rather than just offering certification.

Our programmes are highly competitive without compromising on quality.

Our programmes are designed to meet company statutory requirements, as well as personal development of human capital

Our programmes provide basic grounding to equip individuals seeking employment.
